1-15 May 2024: Issue 152

From the Assistant Curate

In contrast with many other languages, English doesn't distinguish between the singular and plural when speaking in the second person, so "you" can be singular or plural. Whenever we hear or read Jesus saying "you...." we can add an extra dimension to our thinking if we dig a bit deeper into whether Jesus is addressing his listeners as individuals or as a group.

English does have other ways of implying that an individual response is required. Our midweek Holy Communion gospel reading (John 12:44-end) showed us Jesus making an impassioned appeal to his listeners to decide for themselves whether they could believe that Jesus was sent by the Father with a message offering light instead of darkness and eternal life. We were indebted to Prof David Ford's excellent "The Gospel of John – a theological commentary" for the insight that Jesus' language, as confirmed by the original Greek, showed that this was an appeal not to the group but to individuals (through "whoever...anyone... the one who ...").

The same work highlights how by the use of the plural form of "you" in the original Greek in John 16:12-15 (part of our 8am Holy Communion gospel reading on Sunday) we are to know that the disciples will be guided *together* by the Holy Spirit into all truth, and that the Holy Spirit will reveal to them *together* the things that are to come and all that is of the Father and of the Son.

Likewise, when we come together, whether for services, for our bible study groups, or for the next sessions of the Living in Love and Faith course (11th May and 18th May), we can learn together about God and about faith in him through the work the Holy Spirit does in and with us together. That realisation that we are both individuals with our own personalities, circumstances and experience, but also come together as a church to learn and grow together, is something that is reflected in how as a church we are using ChurchSuite.

People will be able to use MyChurchSuite to set their own privacy settings to whatever feels comfortable for them as individuals (our default setting is that names and contact details are visible only to the clergy, staff, the PCC and to the volunteers who need them). But often we can be more effective if we are willing to share personal information with one another, for instance when we share our email address with the other people on the same

rota, so that we can do swaps with one another.

Whilst no system can be made 100% proof against fraud, using ChurchSuite for such practical matters is helping us to do our best to keep your personal information safe. If you have any concerns about this, or if you just want to check that we have your contact details so that we can contact you, do get in touch with me. And do please check your clutter/spam/junk folder to see if there's an email about ChurchSuite lurking there.

Revd Ceri Payne Assistant Curate

Church of England 'Living in Love and Faith' Course:

5 sessions on Christian teaching and learning about Identity, Sexuality, Relationships and Marriage

Website: Living in Love and Faith (churchofengland.org)

Earlier in the year, the PCC asked us to offer the opportunity to learn about the teaching and issues related to human identity, sexuality, relationships and marriage, which the Church of England has been discussing in General Synod in the last year. This resulted in the House of Bishops commending 'Prayers of Love and Faith' (PLF) for use in regular public worship or private prayer in December 2023.

We are offering 3 sessions on Saturdays (the first 2 meetings will cover two sessions of the LLF course materials):

20th April 9.30-12.00 11th May 9.30-12.00 18th May 9.30-11.00

They will be led by Revd Canon Jutta Brueck and Revd Alison Kennedy.

Please note the dates and register your interest or send any questions to clergy@gsm.cam.ac.uk

Sun 12 May - APCM 11.30am

The Annual Parochial Church Meeting (APCM) is an important event in the life of Great St Mary's Church. It will be held in the Michaelhouse Chancel at 11.30 am.

The first part is called the 'Vestry Meeting' at which our Churchwardens are elected. Those eligible to vote are those on the Great St Mary's Electoral Roll and anyone who lives within our parish. The second part is the Annual Parochial Church Meeting, which will be the opportunity to receive the Financial Report for the accounts for 2023 and the Budget for 2024, and to elect members to the Parochial Church Council (PCC), who serve for three years. This year, we have six vacancies to fill. Any person being nominated for the role of PCC member must already be on the Electoral Roll (a copy of which has been displayed in Great St Mary's and at Michaelhouse).

We also produce an Annual Review of activities in 2023 for the APCM, and we will discuss plans for 2024. The calling notices will be published in the South Porch and in Michaelhouse. Nomination papers are available from the PCC Secretary, Marion Cobby, at pccsec@gsm.cam.ac.uk.

Welcome Glen Dempsey

It is a great pleasure to be moving to Great St Mary's as Organist and Assistant Director of Music this September. Some of my formative musical experiences took place in the church, and I cannot wait to get stuck in. I was born in Bury St Edmunds, Suffolk, in 1994, and sang as a chorister in St Mary's Church in that town, and later in the choirs at St Edmundsbury Cathedral. It was a source of good fortune that Sam Hayes was Musician-in-Residence at King Edward VI School, where I attended upper school; he gave me the opportunity to give my first organ recital at Great St Mary's when I was in Year 10. For the Sixth Form I moved to the Purcell School for Young Musicians, but I continued to travel back to Cambridge fairly frequently to play for services at GSM.

Upon leaving school I took up the organ scholarship at St George's Chapel, Windsor Castle. Alongside playing for and directing services in Chapel, I gained a fair amount of teaching experience in the Choir

School. A year in the Netherlands followed, where I studied at the conservatoire in Amsterdam and worked as Assistant Organist at the Catholic Basilica; that year was a nice opportunity for me to indulge my passion for languages! I returned to England to take up a place as Organ Scholar at St John's College, Cambridge, reading for a degree in Music; they were very intense and full-on years, when I was often spinning a seemingly impossible number of plates, but very good preparation for a career in music. Upon graduating I took on the roles of Assistant Director of Music at Ely Cathedral and Organist of King's Ely. I have had five enjoyable and fulfilling years working in our diocesan cathedral, and am now looking forward to the next step.

Outside of music, I am a keen and enthusiastic cook - though haven't quite gotten the hang of baking yet (any tips will be appreciated in due course!).

Pastoral Care

If you would welcome the opportunity to have a confidential conversation please do not hesitate to email me on juttab@gsm.cam.ac.uk or leave a message with the parish office on 01223 747273. Members of the clergy team are always glad to visit members of the church family in their homes, to talk about their faith, to pray with them (especially when they are ill), to be a listening ear, and a comfort in sorrow. Email Shirley sssh49@gsm.cam.ac.uk

Pastoral Care Group

A Pastoral Care Group has been set up to help oversee our pastoral work at GSM. They will support the clergy and visit parishioners as requested. The group at present are: Ruth Bridgen, Gordon Campbell and Margaret Johnston and Andrew Watson. You can speak to them or the clergy directly, or email Shirley ssh49@gsm.cam.ac.uk . Malcolm Clarke

Dberg

It is with much sadness that we record the passing of Malcolm Clarke on 5
April, 2024. Malcolm was a member of Great St Mary's for over 50 years. He
was a great cycling enthusiast. In the early days, he used to bring his two sons
to church in a buggy drawn by his bike. As they grew older, all three would
come on a 3 'triplet' seater bike. In retirement Malcolm used to ride his tricycle
10 miles daily out of Cambridge according to the direction of the wind and
always to a good café or garden centre for coffee! We well remember his
involvement in the GSM cycle ride to Ely Cathedral to raise money for the West
End development in 2012 when we all had lunch in the Bishop's garden!
Malcolm was a regular member of the Men's Breakfast Group and latterly,
particularly attended the 8am Holy Communion services, where the traditional

devotion and language meant a lot to him. He took his faith seriously and amassed a significant collection of books on aspects of Christian spirituality. In the days when volunteers staffed the tower, Malcolm did many Saturday stints. He was born on 1st April but because it was after noon, he said he was not an April fool!

Malcolm had a distinguished academic career. He was a Professor of Law at Cambridge specialising in Commercial Contract law and a Fellow of St John's College. Malcolm was a keen photographer and regularly recorded personalities at Law Faculty events and personal occasions for over nearly 40 years. He donated an album of his photographs to the Faculty. These have been scanned and catalogued and are now included in the Eminent Scholars Archive as a visual record of Faculty members, guests and Goodhart Visiting Professors from the late 70s to the early 2000s.

Sixteen years ago Malcolm had a severe cycling accident. Seven years ago he had a stroke and was also diagnosed with Parkinson's and found mobility and communication increasingly difficult. Malcolm was devotedly cared for by his wife Eva. The funeral for Malcolm will be at Great St Mary's at 11.30am on Thursday 2 May. Our love and thoughts are with Malcolm's wife Eva, and their sons, Tim and Nick.

Year's Mind

Almighty and eternal God, from whose love in Christ we cannot be parted, either by death or life: hear our prayers and thanksgivings for all whom we remember this day; fulfil in them the purpose of your love; and bring us all, with them, to your eternal joy; through Jesus Christ our Lord. Amen.

Service

Christian Aid Week 2024

Although Christian Aid is allocated one particular week in May when it can conduct house-to-house collections, there is no reason why we cannot hold tea (or coffee) gatherings throughout May in order to raise funds for their commendable work. If you could consider inviting half a

dozen friends and neighbours in, explaining that there will be donation envelopes for Christian Aid, I can provide you with the necessary materials. It does not have to be just for GSM members but might be a good opportunity to welcome others too. Do please contact me if you/your house group would like to hold an event - and also if you would like to be invited to attend one.

There will also be donation envelopes available in church.

Eco tip - don't forget to complete the survey

How are we doing as a congregation to reduce our carbon footprint? The GSM Environment Group invites you to take part in a survey to assess our lifestyles. You can complete the survey on this link. If you would rather complete the survey by hand, there will be paper copies available at the back of the church and at coffee time after the Sunday morning service. All responses are anonymous.

We will publish the results and offer ideas as to how we can all help to reduce carbon emissions to tackle the climate crisis.

Thank you.
